

GUIDE LINES TO THE STUDENTS FOR PURCHASING LAPTOP AND INTERNET CONNECTION FOR MSIT PROGRAM

All MSIT students must get their own laptops, laptops are not provided by the institute. In addition to a laptop, students must also procure accessories and sufficient warranty that covers the entire duration of the MSIT program. The students must get their own internet connection also.

Below are the recommendations to get Internet

1. Students must take the broadband connection with at least a minimum 10Mbps speed for attending online academic classes and accessing the lms content.
2. If broadband connection is not available in their location, students must take 4g mobile/dongle connection with minimum 3 to 4 Mbps speed.
3. As per guidelines of CIHL, internet connection compensation amount (Rs 600/-per month) will be reimbursed later until online classes are running.

Below are the recommendations to get Laptop

1. Students must have the laptop before orientation with below specifications.
2. Brand New Laptop with 3 years warranty(At least warranty covers entire duration of MSIT Program).
3. Brands: World wide recognized brands like Dell,Acer, HP, Lenovo, Apple, Microsoft etc.
4. Processor: Latest generation Intel Core i5 or Equivalent processor or Higher.
5. RAM: 8GB or Higher.
6. Hard disk: 1TB (Minimum) - In case of Apple (256 SSD Minimum)
7. Battery :Minimum 3 Hours battery backup or higher is required.
8. Integrated HD Webcam.
9. Integrated 1Gbps Ethernet port and Integrated 802.11 b/g/n wireless LAN adapter.
10. Suitable charger for your laptop (recommendation for a spare).
11. Accessories: VGA - HDMI extension cable, Noise reduction mic, Over ear headset, USB mouse (if needed), Ethernet cable (RJ45).
12. Additional accessories for Apple laptop: converters for USB to RJ45, Mini DVI to VGA converter.
13. Operating system: Latest licensed windows10 / MAC operating system or Latest Ubuntu operating system.
14. Institute does not encourage pirated OS or any kind of pirated software.

There will be a verification process by the IT team to cross check laptop specification, all students must produce by hardcopy(xerox) or softcopy(mail) with valid laptop purchase bills or laptop configuration documents.

All the softcopies send to **helpdesk@msitprogram.net**
